**RE: LOBELL CONSTRUCTION
REFERENCE**

Lobell Construction has carried out some outstanding work for us and in particular at the Waikato Hospital. We have experienced Lobell's professionalism and willingness to provide invaluable industry advice that ensured the projects were planned and completed smoothly.

The standard of workmanship, knowledge, site set-up, project and Health & Safety documentation is excellent and cannot be faulted.

For any project management firm it is a pleasure to work with knowledgeable and trustworthy companies.

We would have pleasure in recommending Lobell Construction in confidence that the project will be completed successfully.

Yours faithfully
