Dear Lucy Shaw,

I enclose a cheque for ^{based} on Peter's final account, less the cost of telephone calls over the two month period of the contract. You will remember this was your suggestion at our pre-contract meeting.

Sheila and I wish to express our thanks to you and your staff, in particular to Helen for the efficient running of the contract. It is not often that I have experienced an "uneventful" building contract, and the results are a tribute to you and your company.

I will have no hesitation in recommending you to future clients.

Yours sincerely,
Philip Woods.
